

PRODUCT SPECIFICATION CHANGE NOTICE

Publication Date: Feb 25, 2022

Effective Date: Mar 1, 2022

We would like to notify our customers that due to design changes, the CM-011 series will be upgraded for better performance.

The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices. We will continue to offer technical support and RMA services for the models with old part numbers during the valid warranty period.
